

# Creative Writing

## Levels 3A and above

The Creative Writing course is a 14 hour short - course designed to help English language learners improve their writing skills with activities that encourage them to write freely and creatively.

In this course, students will get the chance to develop their skills through:

- Using the process writing approach where they focus on creating a meaning for their pieces: prewriting, drafting, revising, editing, and sharing
- Working collaboratively through group and pair work to generate ideas and provide feedback
- Sharing ideas and final work on an online classroom webpage

### Some sample tasks include:

- Writing descriptive pieces, such as "Describe a perfect world"
- Interpreting pictures
- free writing
